PROFESSIONAL EXPERIENCE

HR Operations Specialist

May 2024 – Present

Applivity — Islamabad, Pakistan (Progressed: HR Intern → Technical Recruiter → HR Operations Specialist) On-site / Hybrid

- Administer end-to-end payroll processing for 45 employees using **ERPNext** and **Microsoft Excel**, ensuring accurate salary computation, deductions, and timely disbursements.
- Manage daily attendance tracking, leave records, and absence reporting using ERPNext, maintaining 100% accuracy in employee time records.
- Prepare and issue a full range of official business and HR documentation in **Microsoft Word**, including offer letters, employment contracts, experience letters, and verification certificates.
- Maintain and update employee master records and administrative databases, ensuring data integrity, strict confidentiality, and audit-readiness across all personnel files.
- Generate operational and workforce reports in **Microsoft Excel** and **PowerPoint** on headcount, attendance trends, and leave utilization for senior management review.
- Provide direct administrative support to leadership, managing calendars, organizing cross-functional meetings, and preparing agendas and meeting minutes.
- Track, reconcile, and audit operational expenses, vendor invoices, and departmental supply requests in Microsoft Excel.
- Led the implementation and configuration of ERPNext modules covering attendance management, leave policies, expense tracking, and employee self-service portals, reducing manual processing time by 40%.
- Coordinate interview schedules, candidate communications, meeting agendas, and onboarding handoffs across departments.
